

# Need Services?

Have you heard of the **Ryan White (RW) Program for People Living with HIV?** There are plenty of services you can access through Ryan White Part A. Keep reading to see **services available to you.**

*Please note that Ryan White is a last-resort program. This means you must use all other funding options first before using Ryan White.*

**Case Management (Medical):** Your Medical Case Manager will link you to all the services you might need to improve your health and become undetectable.

**Dental Care:** Help the dentist know what's going on, stop problems before they start, and fix issues with your teeth and gums!

**Emergency Financial Assistance (EFA):** Planning on moving soon? The RW Program may be able to help you with first and last month's rent as well as security deposit. But that's not all, it can also help with...

- essential utilities
- medications
- food & groceries
- transportation

*Please note that there are no cash or direct payments under this service. Payments go to the landlord or service vendor. EFA is limited to \$2,000 or \$2,500/year depending on family size.*

**Food Bank:** Keep the everyday items you need on hand, whether that be food/groceries, hygiene products, or cleaning supplies.

**Housing Services:** Housing is important for you to keep your health in check. This service can help you with transitional housing while on your journey to find more permanent housing. Check with your Case Manager/provider to see if this short-term service can help you.
