HIV Integrated Planning Council

Ryan White Part A FY 2024

EMA: Reallocation Request

December 5, 2024

The Ryan White Part A FY24 is nearing the end of the contract period. The administrative mechanism employed by the HIV Integrated Planning Council has proven very effective in mitigating underspending at the conclusion of the contract year. Approving this request will facilitate the Recipient's ability to finalize and close contracts.

The Recipient is requesting permission to reallocate any remaining underspending on the following direct service categories:

- **Emergency Financial Assistance**
- **Food Bank/Home Delivered Meals**
- **Medications**
- **Oral Health Care**
- **Medical Transportation Services**
